

REMARKS

This is in response to the outstanding Advisory action mailed August 9, 2005. Upon entry of the amendments in this response, claims 2, 5, 13-16, 18-20 and 35-37 remain pending. In particular, Applicants have re-submitted amended claims 2, 5, 15, 35-37, which were previously submitted in Applicants' response to final Office action dated May 17, 2005. Applicants had submitted this response via First class mail deposited with the United States Postal Service on July 15, 2005.

Applicants have currently further amended claim 35 in response to the following statement in the Advisory action: "Claims 35-37 depend on canceled claim 33, and therefore would require further consideration under 35 U.S.C. 112."

Applicants respectfully assert that independent claim 35 is now in condition for allowance. Because independent claim 35 is allowable, claims 36 and 37 that each depend directly on claim 35 are also allowable as a matter of law. Applicants respectfully request reconsideration and allowance of all currently pending claims, including claims 36 and 37.

CONCLUSION

In light of the foregoing amendments and for at least the reasons set forth in Applicants' response dated July 15, 2005, Applicants respectfully submit that all objections and/or rejections have been traversed, rendered moot, and/or accommodated, and that the now pending claims 2, 5, 13-16, 18-20 and 35-37 are in condition for allowance. Favorable reconsideration and allowance of the present application and all pending claims are hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned representative at (404) 610-5689.

Respectfully submitted,
